Objectives

I have a strong desire to build up a career in **Top label Management in Engineering sector** to serve my best that I have gathered from my studies & experiences.

Educational Qualifications

B.Sc. In EEE:	Achieved 3.36 in a scale of 4.00 of 2018 from Bangladesh University of Business and Technology, Dhaka.
H.S.C. (Science) : 2-Years	Achieved 4.00 in a scale of 5.00 of 2010 from Noakhali Government College, Noakhali.
S.S.C (Science) :	Achieved 4.81 in a scale of 5.00 of 2008 from Chatkhil P.G. Government High school, Chatkhil, Noakhali.

Experience

Present : At present I am pursuing my job as Department Head of Science and Assistant Teacher in Science Department **at Swapnadhara Human Welfare Society** commencing from April 1, 2017 to till now. Successfully continuing about 2 years in this field of Science Teaching and managing the department.

During Working Period:

- Working as a mentor of 60 students in this NGO School.
- Designed daily Lesson Plans, monthly Unit Plans through analyzing the curriculum and breaking it into smaller Units and objectives
- Built a strong relationship with school staffs and teachers that ensured continuous Fellow placement in the school
- Teaching, Long-term planning (Unit plan) & short-term Planning, Resource collection, Material design, Data collection and analysis, Project management and project promotions, Program management, Science fair arrangement.
- Head of Science Department in Swapnadhara Welfare Society, arranged some Science fair and project showcasing
- Participate in SSC examination hall as a hall observer

Skill

- **Microsoft office, internet**
- **Programming C, matlab**
- **PLC, HMI and VFD automation**

Training

Professional :

- Rigorous 15 days long training on Organizational Interpersonal and Intrapersonal Relationship Development based on **Transactional Analysis** by **Eric Bern** from **BATIGHAR**
- Training on Interpersonal Behavior and Leadership from **ONNOROKOM**
- 3 months training on English Language from **Foreign language Training Center(FLTC)**
- Two days workshop on “**Robotics & Embedded System Designing Using Microcontroller**”
- **PLC Based Advanced Automation (Basic:** Introduction to PLC and PLC program language, Hardware configuration of PLC, Bit logic operation.
PLC: PLC programming in Siemens Logo, S7-200/300, S7-1200/1500, Mitsubishi, Omron, Delta and LS brand, Project using timer and counter function and Analog input, output, scaling, comparator, Connecting with sensors etc.)
from Reliance High Tech LTD(PLC Bangladesh)
- **VFD**(Variable speed controller, AC& DC drive, programming and parameter setting in VFD, Control VFD speed and Forward/Reverse with operation mode, control VFD with PLC and HMI) and **HMI**(Programming of HMI and SCADA, Hardware troubleshooting of HMI , design HMI with button and bit operation, analog value display ASCII data input communication with PLC) **Automation from Reliance High Tech LTD(PLC Bangladesh)**

Thesis and Project

SONAR based indoor system mapping (In a small place where human cannot reach but a small robot can be gone there and made a map on this place by helping antenna)

Language

English & Bengali: Good command over speaking, reading and writing both in English and Bengali.

Personal Details

Name : Anik Saha Majumder
Father's Name : Late Mr. Haran Chandra Majumder
Mother's Name : Mrs. Shikha Shaha
Date of Birth : September 16, 1992
Marital Status : Single
Religion : Hindu
Nationality : Bangladeshi
Sex : Male
Permanent Address : “Matri Chaya”
Holding no. 152
Vill. – Modho Laksam, P.O.- Laksam,
P.S.- Laksam, Dist.- Comilla
